### Support for Aboriginal Students

The Rawlinson Centre for Aboriginal Business Students is an inclusive study, meeting and hangout space for students. The Centre also offers tutoring services, scholarships, emergency financial aid and cultural events. The Aboriginal Students' Centre (ASC), located in the Gordon Oakes Red Bear Student Centre, is available to all students on campus, and is an inclusive gathering space for students to come before and after classes to study, use a computer, connect with other students or access services.

With over 2,200 self-declared Aboriginal students on the USask campus and a location that puts you on the banks of the South Saskatchewan River, Saskatoon is the province's largest and most vibrant city with a growing Aboriginal population.
